

Project Brief

Two Signals in Region Two

**2007 Legislative
Update**

Provided By:

Project Description: DESIGN, Signal Placement & Intersection Improvement

There are two parts to this project:

- 1) Design and construct a new signal in Grantsville at the cross streets of SR-112 and SR-138.
- 2) Modify the existing signal in West Jordan City at the cross streets of 7800 South (S.R. 48) and Airport Road.

Design services for both signals is being provided by Region Two and the work is estimated to be complete in Spring 2007, with advertisement for construction planned for immediately afterwards.
